**JOIN US ON ANOTHER EXCITING OUTBACK ADVENTURE**

VISITING BOURKE, CUNNAMULLA, EROMANGA, MILPARINKA, BYROCK,  
COONABARABRAN AND MUCH, MUCH MORE ALONG THE WAY!

## About the Service

The Westpac Rescue Helicopter Service (WRHS) is a registered Charity, providing the highest standard aeromedical response and search and rescue to the communities of Northern NSW.

The Service was established in 1975 and operates five (AW139) helicopters from three forward operating bases in Belmont, Tamworth, and Lismore. The service supports NSW Ambulance and NSW Health to deliver aeromedical pre-hospital support, search and rescue and inter-hospital transfers in our community from north of the Hawkesbury River through to the Queensland border and throughout the New England North West.

Along with the pilot and aircrew officer, every pre-hospital mission launches with a dedicated NSW Health critical care doctor and a NSW Ambulance critical care paramedic. For inter-hospital transfers the team may also be complemented by dedicated NSW Health specialist nursing professionals, depending on the needs of the patient.

The NSW Government, through the NSW Ministry of Health and NSW Ambulance, Westpac Bank, sponsors, business partners and the community, collectively provide the funds to ensure that the Westpac Rescue Helicopter Service can deliver world-class aeromedical emergency support services to the communities of Northern NSW.

The Service now responds to over 1,500 life-saving missions each year.

The inaugural Drovers Run event took place in 2011, attracting 19 vehicles and raising \$60,000 for the Westpac Rescue Helicopter Service. The Drover's Run is now one of the biggest fundraising events for the Service. In 2022 after a three-year Covid-enforced break, 34 vehicles travelled to Uluru and raised an astonishing \$225,000, and in 2023 twenty-seven vehicles travelled through Outback NSW and supported the work of the Westpac Rescue Helicopter Service with \$165,000 being raised. These results are directly due to the generosity of potential donors like yourself. The 2024 Drovers Run attracted 17 vehicles and raised over almost \$100,000 for the Service.

We invite you or your business to be a Supporting Donor to one of our Entrants/Teams in the 2025 Drover's Run Outback Adventure. In turn, we will not only promote your business to the broader community during the event but you will also be helping to save lives through your tax-deductible donation.

The 2025 event will start in – Armatree (near Gilgandra) and include Bourke, Cunnamulla, Eromanga, Milparinka, Byrock, Coonabarabran and much, much more before ultimately finishing in Tamworth.

We are certain the 2025 Drover's Run will deliver an outstanding event and raise valuable funds for the Service. We hope you will consider supporting this great cause through the entrants in this years adventure.

## Drover's Team Support Donations from \$250 - \$2,000

Supporting a Drover's Team is a great opportunity for your business to become involved with the region's most important asset and assist us to save lives. All Team support donations over \$2 are tax deductible, but donations over \$250 will be acknowledged with recognition from the Service. Donations over \$2,000 will receive a higher level of recognition. To discuss this opportunity, please contact the Tamworth Rescue Helicopter base on (02) 6764 9400.

**Thank you for your consideration in supporting a Team in the 2024 Drovers Run.**

The support of businesses such as yours helps keep this lifesaving service operating for the communities of Northern NSW.

### DONATION FORM

Vehicle Support Donation for: \_\_\_\_\_ (Entrants name)

#### 1. SUPPORTING DONOR DETAILS

Company Name: \_\_\_\_\_

Address: \_\_\_\_\_

Email: \_\_\_\_\_

Contact number: \_\_\_\_\_
