Ride for the Chopper 2026

Proudly supporting the
Westpac Rescue Helicopter Service

The Westpac Rescue Helicopter Service is vital to the communities of Northern NSW conducting over 1500 missions annually. It is a Service that relies upon the generosity of businesses such as yours to ensure the Rescue Helicopters are there when and where they are needed.

This ride will be our 24th Ride, over those years the Ride for the Chopper has become one of the major fundraisers for the Northern NSW Westpac Rescue Helicopter Service through the commitment of our riders and support team, and the generosity of our sponsors. Over that time we have been able to establish a strong connection to the wider community through community engagement, and pride ourselves on being able to produce a positive outcome for both our brand, and that of our sponsors.

Entrants on the 2026 Ride for the Chopper will cycle from Lightning Ridge in the states North West, to Tamworth from Friday 11th to Friday 18th September.

The following Sponsorship packages are available to businesses, or we can tailor a package reflecting your level of commitment.
