Westpac Rescue Helicopter Service

Northern NSW

Westpac Ride to Fly MTB Wednesday 13th – Sunday 17th March 2024 Event Sponsorship Options

Dear Supporter,

Since 1975 the generous support from our community has helped to keep the Westpac Rescue Helicopter flying for those in need.

Today the Service is there for 1.5 million people throughout Northern NSW. Responding to an incredibly diverse range of community needs, from people injured on the roads, farms, workplaces, sporting fields, in the ocean, at the beach and in the bush. The Service also completes hundreds of Inter-Hospital Transfers each year, bringing people from regional towns to major hospitals to receive specialist care.

Along with our Pilots and Aircrew, every primary response mission today leaves with a dedicated NSW Ambulance Paramedic and NSW Health Doctor and depending on the needs of each patient the team may include specialist nursing professionals. Together, the highly trained Rescue Helicopter team is working to ensure the highest standard of care is provided for every patient.

The generous support of our community has kept the Rescue Helicopters flying and ensured that no one has ever paid to be assisted. In continuing the community support, I am pleased to announce that our Westpac Ride to Fly MTB in support of the Westpac Rescue Helicopter Service will be set to ride through the Mid-North Coast / Nambucca Valley area between the 13th and 17th March 2024.

To make this year another great success, we have several sponsorship opportunities available to the local business community to acknowledge your support, and allow the opportunity of promoting your business's products/services to potential customers. The attached event sponsorship proposal outlines how we will acknowledge your support during the ride, in return for your investment.

Thank you for taking the time to consider this proposal. Should have any questions please do not hesitate in contacting me on 0448 848 500 or jeff.galbraith@rescuehelicopter.com.au.

Kind Regards,

Jeff Galbraith

Event Coordinator NENW/NENW Team Lead
