OCTOBER 2024

ABOUT THE SERVICE

The Westpac Rescue Helicopter Service is a registered not for profit, and recognised Charity organisation, that serves the communities of Northern NSW.

Operating from Belmont (Newcastle), Tamworth and Lismore, the Service provides world-class aeromedical services to the 1.5 million people living from the Hawkesbury River to the Queensland Border and throughout New England North West.

We fly on average 1,500 missions each year and are on standby 24/7 to help those who need us most.

9  Air Transport

79  Falls

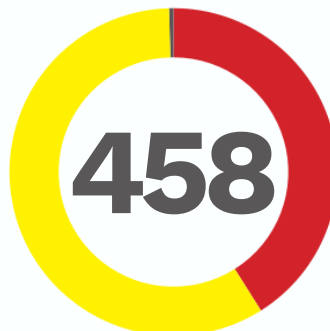

-  Pre-Hospital Emergency
-  Inter-Hospital Transfers
-  Search and Rescue

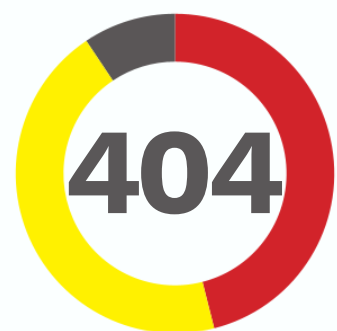

Belmont

Tamworth

Lismore

WHAT IS BASE TO BASE?

Base to Base is a virtual fitness challenge that takes place throughout the month of October, raising vital funds for the Westpac Rescue Helicopter Service.

We ask our community to gather their crew and join us on their own mission - whether it be by walking, running, riding or rolling their way through their kilometres.

Hi there! I'm Barry, your
base to Base buddy!!

Now your school community can come on a virtual mission with the Rescue Helicopter.

We are asking schools to join us for Rescue Day on Friday 25th October. We'd like you to encourage your students to dress up as heroes and partake in an activity while raising funds for the Westpac Rescue Helicopter Service.

HOW TO GET INVOLVED

Step 1: Register your class

- Receive your resource kit
- Ask other teachers to promote Rescue Day in their classes

Step 2: Get excited

- Introduce Rescue Day in your school assembly
- Get students fundraising using our resources

Step 3: Celebrate Rescue Day on October 25

- Dress up as your favourite Helicopter Hero
- Go in the draw for the opportunity to LAND your class or school an exclusive Westpac Rescue Helicopter Service experience
